Help Needed

*If your family no longer has a need for outgrown cub scout uniform pieces. Please consider donating them to our pack for future cubs.

*The Pack Committee is in need of one more member and one more Assistant Scout Master. If you are interested, talk to Lisa or Chris Mohr. Mom's, Dad's grandparents, aunts, uncles are all welcome to help lead our pack.

NOTICES

The main focus for us this month is recruiting and popcorn. If you have any friends who want to joining scouting, have them talk with your den leader or Chris Mohr.

As for popcorn, there will be lots of information beign sent to everyone this month. If you have any questions please contact Debbie Madison, Claire Hiltz or Marggie Schuldinger. Our 2009 Popcorn Kernels.

One last point of interest..... on August 4th a vote passed to join the Clinton Valley Council and the Detroit Area Council. It looks like we will soon become one larger council and be able to share many resources. The vote also included a name change which has not been announced yet. I'm certain we'll get more information soon as the merging of the two council's starts.
